MESSAGE FROM THE PRINCIPAL

According to WHO, a large population suffers from stress of various kinds. Pertaining to stress; doctors, psychologists and educationists are trying ways to fight it out off our regular life. It is sad to see that children from tender age talk of stress as 'TENSION'.

We are glad and thankful to C.B.S.E. for taking a concrete step towards stress- relief by introducing CCE (Continuous Comprehensive Evaluation) system. It relaxes the students from the pressure of learning bundle of lessons and testing only retention and execution.

CCE pattern evaluates students' academic excellence along with talents of speech, drama, creativity, innovativeness, accuracy, speed and perfection. Our school has already made its stand clear that students would not be stressed and the leisure hours be utilised in creativity and chanellising their resources to destined recognition.

As every coin has a dark side so is this system. If we have released the students from burden of studies then we have given them overtime of leisure hours. Therefore, as elders, mentors and guides we seek the support of parents to help us in building and inculcating decent thoughts in our progeny so that they do not misuse their free time by involving in negative acts. We should promote healthy and wise thinking, tolerance and generosity in our children. We should also spend Quality Time with our children to know them and their hidden, unforeseen demands.

Our society is so easily prone to negativities. Therefore, we need to keep a strict eye on our children, their friends and foes, mobiles, face book accounts and their movements. We should not have blind faith and love on our children. Always know they are more intelligent and scientifically advanced than us.

Make your child best by being better than them and foreseeing their moves.

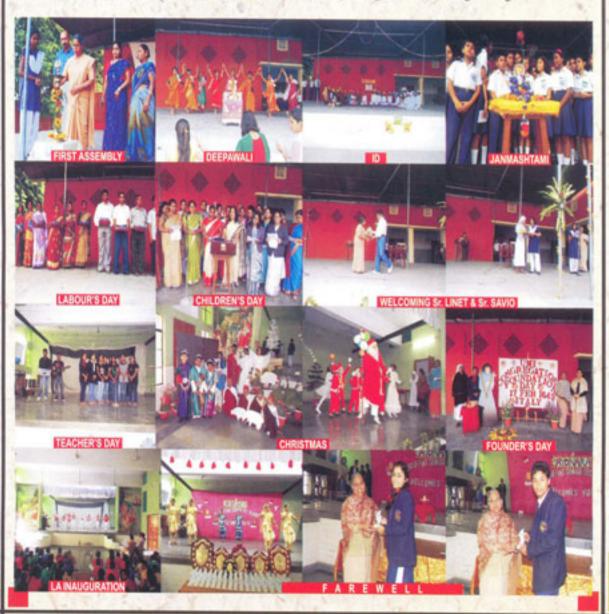

Sr. Jeanne

WE PRACTICE WHAT WE PREACH

Our school stands for 'Truth and Diligence'. Truth is divine and it tends to take us towards tolerance with humility. It is an exotic experience which implants in us the seed of amity and peace. Unfortunately, such moral ideas remain in books to flourish. Imitating has been man's genetic trait. Trudging along the same line, we brought forward the eternal ideology of peaceful survival by enacting out short stories of regular life in the assembly. This gave live view of the moral theories to the students. This scheme worked well with the celebrations of JANAMASHTAMI, ID-UL-FITR, CHRISTMAS, HINDI WEEK, TEACHER'S DAY, CHILDREN'S DAY, FOUNDER'S DAY, FAREWELL etc.

This diligent practice has opened the door of better thinking and better being among our students.

From the Desk of The Counselor A REPORT

November 3rd 2011, a career guidance—seminar was organized in our school for the students of classes 10rd and 12rd. The seminar was organized with the help of Prestige Institute of Management Gwalior. Our prestigious career guides were Dr. Sanjay Gupta and Dr. Garima Mathur who have excellence in this field for last twelve years.

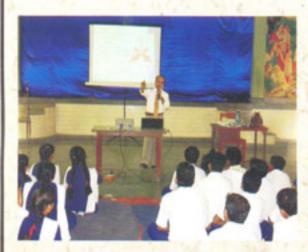

The idea behind the seminar was to familiarize the students more extensively with the methodology of their chosen subject and even to tell them how they can be more successful in future by the selection of the professional stream, knowing their hidden skills.

"The future belongs to those who use intelligence with faith, and who with courage and determination grope their way forward from blind adaptation to creative evolution."

They even told our students that education today is very challenging and demanding. Through a psychometric test they analyzed each and every student of class 12th and it was found that ten percent of our commerce students are good in science as well and nearly forty percent of our science students are also good in commerce subjects and they can be successful in those streams too. There was an interest check test for the students of class 10th to guide them to select the stream in class 11th for their better career.

The CBSE has changed the face of education with its bold and progressive move of providing a holistic environment to learners in schools, by introducing the Continuous and Comprehensive Evaluation (CCE) scheme for classes IX-X. It has ensured that all aspects of a student's development are covered though Scholastic and Co-scholastic assessment.

The scheme of CCE is broadly divided into 3 parts.

Part I consists of Scholastic areas. The academic performance of the learner in the classes 9th and 10th will be reflected in the form of grades and percentile rank. Two terms have been suggested during a year.

The grading scale for scholastic domain is a nine point scale .

PART -2 - Comprises of co-scholastic areas which includes Life-Skills and attitudes and values. A five point grading scale for assessment in Life Skills and three point scale for assessment in attitudes and values.

PART -3 - Consists of co-scholastic Activities which include participation in Literary, Scientific club activities and Health and Physical education. It has been proposed to assess the students on a three point scale.

St. Joseph's Sr. Sec. School has followed the CCE scheme in the right spirit with academic honesty. The outstanding performance of class X students in the academic year 2010-11 is itself a testimony to the success of CCE pattern. The following students secured A1 grade in all five subjects (Cumulative grade point average-10)

It is in GIVING, that we do RECEIVE

This year dawned beautifully on us, bringing sun shine to the faces of the few selected. The LTSers started their journey with a prayer session, asking the almighty to show them the urgent path

During the year, we organised various constructive programmes. The first fundraiser organized by us was, "Juice Day" on 29th July. The students, along with the LTSers participated actively in the event, collecting money for the poor and the needy. This instituted in the LTSers the spirit of commitment and service of collaboration.

Grandparents are the most special people in our lives. These sweet hearts pamper us with their love & care. So we decided to do something special for them on 4° September. The LTSers celebrated "Grandparents Day". Various entertainment programmes, a game of tambola followed by lunch, made their day. The look of joy and pride on their faces was mesmerising.

On 19-12-11 we LTSers went to St. Patrick's in Cantt. We celebrated the blissful occasion of Christmas with the wonderful gifts of God, i.e. small children. We distributed pencil colours, food items etc. amongst those little angels. The look of joy and happiness on their faces was absolutely amazing.

We LTSers understood that the spirit of giving is much greater than receiving. We promise to stand by our motto

कर्मण्येवाधिकारस्ते – मा फलेषु कदाचन

ईश्वर ने संसार में आये हुए प्रत्येक व्यक्ति को कर्म का उपदेश दिया है, किन्तु कर्म निष्काम भाव से होना चाहिए। निष्काम का यह अर्थ नहीं कि बिना कर्म किए पड़े रहों कार्य तो करना ही है उसी से ख्याति प्राप्त होती हैं

ईश्वर स्वयं कहते हैं कि वे भी कार्य करते हैं— यदा यदा हि धर्मस्य ग्लानिर्मवति भारत । अभ्युत्था नमधर्मस्य तदात्मानम् सृजाम्यहम् ।।

वे चाहें तो स्वर्ग से ही पृथ्वी लोक के सारे कार्य कर सकते हैं किन्तु मानव को मार्ग दर्शन हेतु नर लीलाओं झारा कार्य करके दिखाते हैं।

निष्काम कर्म योगी को सदैव विजय मिलती है यही गीता का अमर संदेश है तब भी प्रासंगिक था आज भी प्रासंगिक है। सत्य—असत्य का युद्ध हमेशा होता रहा है और होता रहेगा। हमारा अन्तर्मन सदा द्वन्द्वमें उलझा रहता है, यह करें या न करें। उदाहरण स्वरूप —महाभारत युद्ध में—

एक ओर कृष्ण के मार्ग दर्शन में निष्काम कर्म योगी अर्जुन है जिसे विजय की कोई लालसा नहीं तथा दूसरी ओर शकुनि के मार्ग दर्शन में छल कपट से युक्त दुर्योधन है जिसका मन हस्तिनापुर राज्य की प्राप्ति में लगा हुआ है, युद्ध तो कर रहा है किन्तु फल की इच्छा से युक्त है निष्काम कर्म योगी नहीं है।

अन्ततः विजय तो उसी की हुई जो सम्पूर्ण निष्ठा से कार्यरत है। द्वारा- सरोज गुप्ता अध्यापिका

''हिन्दी के बढ़ते चरण"

भाषां का साहित्य अति समृद्ध है परन्तु व्यायसायिकता के आधार पर जो सम्मानित दिशा हिन्दी ने प्राप्त की है उसे अभी और आगे जाने की आवश्यकता है। ज्ञान मनुष्य के समक्ष नयी—नयी चुनौतियाँ पैदा करता है नयी चुनौतियाँ, नया भाव संसार, नयी संवेदनाएँ इनके विस्तार के लिए नया भाषा संसार व नयी शब्दावली भी चाहिए। नयी शब्दावली भाषा के स्वरूप को परिवर्तित करती है।

हिंन्दी के निरन्तर विकास व बदलता स्वरूप लोगों के निरन्तर समीप जाने में इलेक्ट्रानिक व प्रिंट मीडिया का योगदान श्रेष्ठ है। विमिन्न प्रकार के हिन्दी समाचार पंत्र व पत्र-पत्रिकाओं ने लोगों के हृदय में अपनी जगह बनायी है। पहले हिन्दी सिनेमा फिर इलेक्ट्रानिक मीडिया ने हिन्दी के प्रवाह को बनाए रखा। इसकी सव्वाई को समझा। मीडिया के क्षेत्र में भाषा के रूप में अद्मुत सफलता अर्जित हुयी है। मीडिया की भाषा जन भाषा होती है जनमानस के निकट होती है। हंगरी ने कहा है-

"आज मीडिया द्वारा प्रचारित ग्लोब्लाइस्ड हिन्दी को आमें बढाने की जरूरत है।"

इन्टरनेट और मोबाइल ने हिन्दी भाषा का रूप बदला जिसे युवा पीढ़ी तेजी से अपना रही है यह भाषा के विकास की सहज प्रक्रिया है। पहले नोबाइल व कम्प्यूटर पर हिन्दी लिखना अत्यन्त कठिन था, परन्तु रोमन में हिन्दी लिखने को बढावा मिला। यूनीकोड आने से हिन्दी टाइप करना आसान हो गया। धीरे-धीरे इन्टरनेट पर हिन्दी का प्रसार हुआ। हिन्दी के दो रूप इन्टरनेट पर दिखाई देते है एक तो रोमन से जुड़े लोग दूसरे देवनागरी हिन्दी से जुड़े लोग। हिन्दी के आसान होने के कारण लोगों का उत्साह बढ़ने लगा है हिन्दी की अभिव्यक्ति लोग रोमन के माध्यम से करने लगे हैं। हिन्दी उत्पादकों को लोकप्रिय बनाने में हिन्दी का महत्वपूर्ण योगदान है। विदेशी बहुराष्ट्रीय कंपनियों ने हिन्दी में विज्ञापन बनाना उधित समझा। टेलीविजन में हिन्दी माध्यम से दैनिक चीजों के विज्ञापन देने से बिक्री में आश्चर्यजनक बढोत्तरी हयी। हिन्दी गानों को रेडियों ने लोकप्रिय बनाया। हिन्दी फिल्मों नें विदेशों में लोकप्रियता हासिल की इस तरह दृश्य श्रुव्य माध्यमों ने हिन्दी को ही अपना लक्ष्य चुना।

इस तरह हम देखते हैं कि हिन्दी साहित्य के दायरे से निकल कर व्यवहार मूलक क्षेत्रों में अपनी विजय पताका फहरा रही है वह जिस रूप में विकसित हो रही है वह जनमापा है अतः हम कह सकते है कि हिन्दी का अन्तरराष्ट्रीयकरण होना निश्चित है। युवा वर्ग के लिये अच्छे अवसर प्राप्त होंगें। बस जरूरत है इस ओर रूझान बदाने की।
